PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Notes are not intended to be offered, sold, distributed or otherwise made available to and should not be offered, sold, distributed or otherwise made available to any retail investor in the United Kingdom (**UK**). For these purposes, a retail investor means a person who is either one (or both) of the following: (i) not a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law in the UK by virtue of the European Union (Withdrawal) Act 2018 (**EUWA**); or (ii) not a qualified investor as defined in paragraph 15 of Schedule 1 to the Public Offers and Admissions to Trading Regulations 2024. Consequently, no disclosure document required by the FCA Product Disclosure Sourcebook (**DISC**) for offering, selling or distributing the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering, selling or distributing the Notes or otherwise making them available to any retail investor in the UK may be unlawful under DISC and the Consumer Composite Investments (Designated Activities) Regulations 2024.

MiFID II product governance / Retail investors, professional investors and ECPs – Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes, taking into account the five (5) categories referred to in item 19 of the Guidelines published by the European Securities and Markets Authority (**ESMA**) on 3 August 2023, has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in Directive 2014/65/EU (as amended, **MiFID II**); **EITHER** (ii) all channels for distribution to eligible counterparties and professional clients are appropriate; and (iii) the following channels for distribution of the Notes to retail clients are appropriate - investment advice subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable. Any person subsequently offering, selling or recommending the Notes (a **distributor**) should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels, subject to the distributor's suitability and appropriateness obligations under MiFID II, as applicable.

Rights attached to the Notes

Taxation – All payments in respect of the Notes and receipts or coupons, will be made without deduction for or on account of withholding taxes imposed by France or any political subdivision or any authority thereof or therein having power to tax, unless such withholding is required by law. In the event of any such withholding is made, the Issuer will, save in certain limited circumstances provided in the conditions of the Notes, be required to pay additional amounts to cover the amounts to withheld.

Events of default – The terms of the Notes contain, amongst others, the following events of default: (i) default in payment of any principal or interest due in respect of the Notes, continuing for a specified period of time; (ii) non-performance or non-observation by the Issuer of any of its respective other obligations under the conditions of the Notes, continuing for a specified period of time; (iii) events relating to the insolvency or winding up of the Issuer.

Representation of Noteholders – The terms of the Notes contain provisions for calling meetings of holders of such Notes to consider matters affecting their interests generally. These provisions permit defined majorities to bind all holders, including holders who did not attend and vote at the relevant meeting and holders who voted in a manner contrary to the majority.

Governing law – The Agency Agreement, the deed of covenant, the Notes, the receipts, the coupons and any non-contractual obligations arising out of or in connection with any of the aforementioned agreements, deeds and documents are governed by, and shall be construed in accordance with, English Law.

Interest – The interest basis of the Notes is a Floating Rate equal to the Performance of the Index in accordance with the following formula:

Floating Rate

On each Interest Payment Dates (i=1 to 6), the Note pays a coupon equal to the Performance (i) of the Underlying Reference:

Specified Denomination x Leverage x Max (0%; Performance (i)))

With:

Performance (i) = $\frac{Price\ (i)}{Price\ (i-1)} - 1$

Leverage: Indicatively 200% (minimum 160%)

Price (i): Closing Price of the Underlying Reference on the Fixing Date (i)

Underlying Reference: MerQube Absolute Return Equity Fund Basket 6% ER Index (EUR) (Bloomberg ticker: MQFDAER6 Index).

Redemption – Subject to any purchase and cancellation or early redemption, the Notes will be redeemed on January 17th, 2033 and shall be calculated according to the following formula:

Call

At the Final Observation Date, if the Notes have not been early redeemed or repurchased, the Notes will be redeemed in cash on the Maturity Date according to the following Formula:

Final Redemption = Specified Denomination x Performance

With:

Performance = Final Price / Initial Price

Initial Price: Closing Price of the Exchange Rate on the Initial Observation Date

Final Price: Closing Price of the Exchange Rate on the Final Observation Date

Initial Observation Date: December 30th, 2026

Final Observation Date: December 30th, 2032

Exchange Rate: NOKSEK, as expressed as the number of SEK per 1 NOK. The "WM/Reuters Closing Spot Rates (4:00 p.m. London fix)" foreign exchange spot rate in the convention NOK:SEK as published by the Spot FX Rate Sponsor on Bloomberg Page WMCO in respect of the foreign exchange spot rate fixing at 4:00 p.m. London time, or any successor page as determined by the Calculation Agent, provided that if such rate is not published at such time, then the Spot FX Rate shall be as determined by the Calculation Agent.

The Notes may be redeemed early for tax reasons or Event of Default.

Seniority of the Notes

The Notes constitute direct, unconditional, senior preferred (within the meaning of Article L. 613-30-3-I-3° of the French *Code monétaire et financier*) and unsecured obligations of the Issuer and rank *pari passu* among themselves and (save for certain obligations required to be preferred by law) equally with all other unconditional, senior preferred and unsecured obligations of the Issuer, from time to time outstanding.

2) Värdepapper knutna till MerQube Absolute Return Equity Fund Basket 6% ER Index (EUR), NOKSEK och formler kan vara volatila investeringar.
3) Innehavarna av värdepapper kommer inte att kunna beräkna avkastningen på värdepapper med rörlig ränta i förväg;
4) Regleringar och förändrade ”referensvärden” kan inverka negativt på värdet på värdepappren;
5) Marknaden för handel med värdepapper kan vara volatil och kan påverkas negativt av många händelser;
6) Genomförandet i Frankrike av EU:s direktiv om rekonstruktion och avveckling av banker kan väsentligt påverka värdepappren;
7) Fransk insolvenslagstiftning kan ha en negativ inverkan på fordringshavare som söker återbetalning i händelse av att emittenten eller dess dotterbolag skulle bli insolventa.
